

Off Track Insurance

Valuation Worksheet/Build Sheet

This form must be submitted if a claim is filed for any competition vehicles insured under the Racer's Insurance Advantage. **NOTE: IN ADDITION TO THIS FORM, PHOTOGRAPHS OF YOUR VEHICLE WILL ALSO BE REQUIRED IN THE EVENT OF A CLAIM.** These photographs should show the condition and level of development for your vehicle. Maintain this form along with photographs in a safe place separate from your competition vehicle and trailer.

Complete this form during the application process to help you determine a proper value for your competition vehicle.

Individually list all modifications in the detail section of each category. Please list a description and value for each part or set of parts.

INCLUDE LABOR IN VALUES IF WORK IS PERFORMED BY A SHOP
